### **Moot Court :**

To impart, specific knowledge regarding application of law, students are given opportunity to conduct themselves as advocates for the clients and argue the matter in that particular case.

### **Legal Aid Camps & Clinics :**

We are part of a society and this society and its atmosphere has to be formed, supported and made functionally efficient. The Singhania Law College feels responsible towards society. Not everyone has the opportunity, resources, abilities or ever the knowledge of how to make their lives better, be it in the legal scenario or otherwise. Singhania Law College puts itself in the service of the general public in any area where it can help and contribute. After all, in order for society to function smoothly, its efficiency and benefits must include everyone. Singhania Law College organizes free legal aid camps in different localities in the vicinity of the college and provides legal clinical support to the people entitled to have free legal aid. This is not just to help those in need but also to help students understand the fulfilment that one gets from helping those that truly need assistance but have no one to turn to.

### **Library:**

Library is pre-requisite for education for sustainable development at all levels of education. Library usage with the help of an educator is very motivated and ignites passion for student's learning. For an IT scholar, it is a visible source to all its extension services such as audio-visual aids, story hours, lectures, book exhibitions, pictures, newsreels, films, etc, for management education. It is a known fact that the library helps in strengthen collaborative research amongst industry, government and educational communities in the society and contribute to all life-long learning opportunities to students. From the orientation programme across the life-term of a student, library and its facilities are a constant knowledge pool for them and its usage is effectively cultured at Singhania Law College, Udaipur.

### **Case Studies:**

In order to have a genuine real world and actual problem scenario, the students are given the opportunity to interview victims of crime and bring forth the real application of law in the case of that particular victim. This further helps in understanding, of the existing laws at various levels depending on the gravity of the case and give students the ability and skill to suggest amendment mend-mens to laws where necessary and be a part of the system where the future is being sculpted for the benefit of society. Many modes are adopted for this purpose.

### **Mock trials :**

With a view, to see that the set-up of the actual Court does not take a new advocate by surprise, the Mock Trial is practiced by the students simulating the actual situation of Court, so that the situation is not new to them and does not shake their confidence when they graduate and step out.

### **Computer Lab :**

Singhania Law College, Udaipur is equipped with state-of-art computer lab which consists of networked computers. The lab remains open from early morning till late evening, six days a week. We provide extensive global exposure to our students through high speed lease line. Moreover, the campus is equipped with WI-FI system in all areas to facilitate the comfortable use of laptops and other equipment.
